# Ovation Terminal+ features

## Payments

Securely accept credit cards, debit cards, and mobile wallets. Support swiping, inserting, and tapping to meet your customers' preferences.

## Inventory Management

Get real-time data to manage inventory expenses, maximize sales and keep your products in stock.

## Pricing and Discounts

Easily establish and manage price points and discount programs across products and locations.

## Quick Sale

Enter an amount, collect payment. As fast and easy as it gets for in-person payments.

## Reporting

Robust reporting that gives you a clear picture of how your business is doing, and how you can make it grow.

## Taxes

Set up, track and manage taxes to stay compliant.

## Highlights

Customizable screen layouts | Item and inventory alerts | Text, email and print receipts | Open refunds | User management
